FOR THE COMMITTEE:

NAME:	DISTRICT/ADDRESS:

The Commonwealth of Massachusetts

In the Year Two Thousand and Ten

An Act removing barriers to emergency shelter.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Notwithstanding any other general or special law or rule or regulation to the
2 contrary, families with a child under age 21 or including a woman who is pregnant shall be
3 eligible for emergency assistance shelter if they satisfy financial eligibility requirements and do
4 not have alternative feasible housing. Notwithstanding the foregoing, the department of housing
5 and community development is authorized to deny emergency assistance shelter to an otherwise
6 eligible family but only if the family is determined, based on clear and convincing evidence, to
7 have engaged, while in shelter, in criminal conduct that threatened the health or safety of shelter
8 residents or staff or to have failed, on three or more occasions to comply with reasonable and
9 uniform rules of the department governing the shelter system, and based thereon was terminated
10 from shelter, within the past 12 months. Notwithstanding the first sentence of this section, the
11 department of housing and community development is also authorized to terminate emergency
12 assistance shelter to an otherwise eligible family but only if the department determines, based on
13 clear and convincing evidence, that (1) a member of the family, while in shelter, engaged in
14 criminal conduct that threatened the health or safety of shelter residents or staff; (2) the family
15 failed, without good cause, on 3 or more occasions to comply with reasonable and uniform rules
16 of the department governing the shelter system; (3) the family, without good cause, refused a
17 shelter placement within 20 miles of its home community or refused a transfer to a placement
18 within 20 miles of its home community; or (4) the family, without good cause and with an
19 intention not to return, left shelter without advance notice to the shelter or to the department.

20 Section 2. Notwithstanding any other general or special law or rule regulation, the department of
21 housing and community development shall immediately provide temporary emergency
22 assistance shelter for up to 30 days to families who appear to be eligible for emergency
23 assistance shelter based on statements provided by the family and any other information in the
24 possession of the department but who need additional time to obtain any third-party verifications
25 reasonably required by the department. In no event, shall the department impose unreasonable
26 requirements for third-party verification and shall accept verifications from the family whenever
27 reasonable.

28 Section 3. Notwithstanding any other general or special law or rule or regulation to the contrary,
29 the department of housing and community development shall, within 60 days of the effective
30 date of this act, revise its emergency assistance regulations to expand its existing good cause
31 rules to establish that a family has good cause for alleged instances of noncompliance with any
32 rules, regulations or requirements applicable to emergency assistance shelter in cases in which
33 the family made good faith efforts to comply, the rule or requirement is unreasonable generally
34 or as applied to the particular family or in the particular case, the family refused a placement or
35 transfer or left shelter with or without advance notice for good reasons, and other cases in which
36 a reasonable person would conclude that good cause existed.
